## SAFE TRAVEL EXPERIENCE

# COMPANY STATEMENT

Panorama Destination is committed to providing clients with travel experiences that are enjoyable, memorable and above all, safe. The company recognises that tourism in each of our destinations will need to function differently in the wake of the global COVID-19 pandemic, with a significantly greater emphasis on personal safety and operational diligence. At all levels of the company, we are implementing health and safety protocols to safeguard guests, employees, partners and suppliers from possible infection and transmission of the virus, now and in the future.

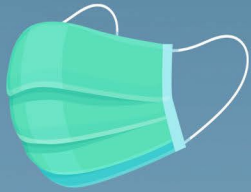

# OUR SAFETY CIRCLE

# SAFETY TOOLS

## FACE MASK

medical mask/ fabric mask must be used by our guide and partners staff

## THERMO GUN

temperature checking for all guests in tourist area / hotel/ restaurant and other public space

## FACE SHIELD

Additional protective equipment such as face shield can also be used by our partners accordance with the provisions

## HAND SANITIZER

Every public area such as tourist attractions/ hotels and transportation during the trip always provide hand sanitizer

## DISINFECTANT SPRAY

Disinfectant is used to clean public areas frequently visited by guests such as hotels, restaurants, theme parks, shops, etc.

## GLOVES

Additional protective equipment such as gloves can also be used by our partners accordance with the provisions

## CONTACT TRACING SCAN

Various tourist attractions will use a barcode scan system before entering and leaving the tourist area

# PARTNERS HOTEL
